

Specifications

Auxiliary Contact

Main

Range	UEM5
Device Name	AX1(Lead type)
Product or Component Type	Auxiliary contact
Device Application	Indcating signal of breaker opening and closing
Conventional Thermal Current	3A
Rated Current	0.3A(AC380V) 0.15A(DC220V)
Range Compatibility	UEM5-100/160、UEM5Z1-100/160、UEM5L-100

Complementary

Wiring Terminal	Lead type
Number of Auxliary Contacts	1 Group

Note: When the user uses a DC24V shunt release, the power supply must meet the minimum requirement of 50W
