

Declaration of TSCA Compliance

TSCA 合规声明

TSCA (Toxic Substances Control Act) is a chemical management law enacted in the United States in 1976, aimed at preventing "unreasonable risks" to human health and the environment by regulating the production, import, use, and disposal of chemical substances.

TSCA (Toxic Substances Control Act) 是美国 1976 年颁布的化学品管理法案，旨在通过监管化学物质的生产、进口、使用及处置，预防其对人类健康与环境的“不合理风险”。

Hongfa products are applicable to the five chemical substances (PBT) specified in 40 CFR 751 E of TSCA 6 (h), as follows:
宏发产品适用 TSCA 6(h)中 40 CFR 751 E 部分的五项化学物质 (PBT) ，如下：

Substance	CAS NO.	Limit Value	Implement time
decabromodiphenyl ether (DecaBDE)	1163-19-5	prohibit	Control start from Mar. 8th 2021
Isopropylphenyl phosphate (PIP3:1)	68937-41-7	prohibit	Control start from Mar. 8th 2021
2,4,6-Tris(tert-butyl)phenol (2,4,6-TTBP)	732-26-3	0.3%	Jan. 6th 2026
Hexachlorobutadiene (HCBd)	87-68-3	prohibit	Mar. 8th 2021
Pentachlorothiophenol (PCTP)	133-49-3	1%	Control start from Mar. 8th 2021

Hongfa attaches great importance to environmental protection, conducted due diligence on the supply chain, and confirmed that the five PBT substances were not intentionally added or used in the production and manufacturing process. The products of Hongfa suitable for the US market also meet the limit requirements for five PBT substances.

宏发重视保护环境，对供应链进行了尽职调查，并确认五项 PBT 物质没有在生产制造过程中故意添加或使用。适用美国市场的宏发产品也符合五项 PBT 物质的限值要求。
